

# Sol 17

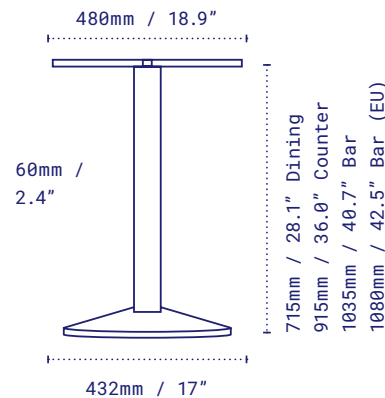

Eagle Bay, Australia

The newest member of the NOROCK family, **Sol** is perfect for cosy spaces indoors and outdoors. Our first cone-shaped disc base allows for our self-stabilising technology to sit under the column, like our x-bases, and then run seamlessly flush to the ground at the feet. A much-requested base from designers and business operators alike. **Sol** is your go-to for small spaces.
